

Proudly offer:

FREE 2-Day Deconstruction Training

Join us for a FREE two-day training workshop for builders, remodelers, architects or anyone else interested in being at the forefront of this fast emerging trend. This course will cover all business aspects of deconstruction including:

- Safety
- Tools and equipment
- Jobsite layout
- Sequence of work
- Jobsite inspection
- Debris handling
- Maintaining salvage values
- Handling & shipping
- Deconstruction techniques

Participants will receive a full-color deconstruction notebook, a certificate of completion, box lunches on both days and transportation between the classroom and jobsite. *Note: this a managerial level training, not labor training.*

To register, simply contact Mark Bullock with Habitat ReStore at 816-231-6889 ext.236 or mark@restorekc.org.
